HELL'S SUPPER - LA MENU DE L'ENFER

ORIGINAL WORK KOGA SHINICHI　　MANGA YAMADA JTA

I wonder just what is going on, dear...

I don't know...

But an invitation from hell can't be something good.

KNOCK

As if we could let Misa go by herself.

Misa and her friends came too...

SCREECH

ISN'T THAT RUDE?

WITCH KUROI MISA...

AND YOUR FAMILY?

DON'T YOU THINK IT'S OUT OF "GOODWILL" AND "GRATITUDE"?

SMIRK

USING "ARON" AND THE "DISTORTIONS",

THE TRAGEDIES BROUGHT FORTH BY HELL'S DISPERSED POWER, TO SEND DEMONS

TO MAKE HUMANS FIGHT AND HASTEN THEIR DOWNFALL...

IT'S SUCH A WASTE!

IT IS AS YOU SAY.

HOWEVER, IT REALLY IS OUT OF GOODWILL.

Good intentions?

Is there anything more suspicious a demon could say?

THIS COMES AS "THANKS" FROM US.

glug glug

OH WITCH, THANKS TO YOU, THE BALANCE HAS BEEN PRESERVED.

EVEN THOUGH THE MALICE PEOPLE BRING FORTH IS A DELICACY FOR THE DEMONS.

3

squeak squeak

EVEN IF WE ARE ALL DEMONS, THERE ARE FOOLISH ONES AMONG US.

MAKING THEM DESTROY THEMSELVES MEANS WE CAN'T ENJOY THAT FOR LONG.

WELCOME TO HELL'S BANQUET.

4

HAS EVERYONE GATHERED?

HELL IS DESIRE'S CRUCIBLE. WE HAVE PROCURED

THE DEMONS' MOST DELICIOUS WINE AND THE BEST COOKS.

YOU CAN LOOK FORWARD TO THE TASTE.

Pulse Pulse

Oh my! In other words, a dinner?

Ban-quet...

Oh no! I should have dressed up more stylishly!

WE'VE INCORPORATED SPECIALTIES FROM VARIOUS PLACES AND AGES.

IT'S A VERY POPULAR MENU WITH THE DEMONS AS WELL.

CLUNK

CLATTER CLATTER

NOW, WE HAVE A SPECIAL FULL COURSE FOR YOU ALL TO ENJOY.

OOOAARGH...

What's this voice?

FIRST, WE SHALL BEGIN WITH THE AMUSÉ...

Vroom

THE WORD "AMUSÉ" MEANS "AMUSE-MENT".

THE FINEST MUSIC FOR THE FINEST COOKING.

AN ORCHESTRA OF SORROW AND REMORSE PLAYED BY THE SINNER.

PLEASE LOOK FORWARD TO THE MENU TO COME.

Hey there, Kuroi Misa...

PLEASE ENJOY.

puff

puff

6

Aron...

PLEASE ENJOY HELL'S FULL COURSE.

NOW, THE SINNER WILL SING HIS SONG OF ATONEMENT AND LIFE OF REGRET. PLEASE CONTINUE TO LISTEN...

Since you lose track of time here, you see?

Aron...

Can you say it's been a long time...?

I don't know if it'll go well with your meal.

My life is what I want to talk about the least...

666

What I was assigned first was a number.

I didn't even have a name.

Yes, the **number 666,** you see?

I was born somewhere in the world...

I WAS ONE OF THE MANY... UNFORTUNATE THERE.

their **bodies** too.

The weak are the most deprived of heart and dignity, and in the end,

WHAT

How cruel...

at last, even the heart is taken from them.

Unable to do anything but breathe,

WAS I BORN TO BECOME?

That's when the demons came to me.

"A SOUP CAREFULLY SIMMERED FROM ◆○□○"

WHAT DID I DO?

WE WILL GRANT YOU A "BODY" AND A "LIFE".

IF YOU FORM A CONTRACT WITH US,

WHAT DID I SUCCEED IN?

"A SALAD OF FLOWERS, ONE OF WHICH BLOOMED AT THE BOTTOM OF A GORGE, FAILED TO BEAR FRUIT, AND WITHERED AWAY."

Because the world... the people didn't engage with me.

No feelings whatsoever.

The reason is simple.

It might be cliché, but I chose to not die meaning-lessly.

There's... nothing...

I CAN JUST RID THE WORLD OF THOSE PEOPLE, is what I thought.

So,

BON APPETIT.

SMIRK

ARE YOU ENJOYING YOURSELF, MADEMOI-SELLE?

"POÊLÉ OF THE FISH OF THE HATED ONES."

CLUNK

You thought?

splish

splash

The memories of a brother who originally did not exist.

The role of "Kurouri Chihiro's little brother"...

I slipped into it.

10

I fabricated memories to erase any suspicions of the situation.

The setting with me, as "a brother to live with", instead of the "father that died long ago".

I thought, "This is annoying... I'll just go with the situation with the least contact".

She'll probably just let go of such a "boring brother" and do fun things instead.

This world should be a very happy world for her, after all.

How about an unsympathetic brother who's been in the hospital forever?

Plus, my body wouldn't be complete until the contract was fulfilled anyway.

all that should have been left would be to deliberately fold up the memories that were convenient for me.

So once I fabricated this setting and embedded it,

I knew about human thinking through the internet.

"Forget what is inconvenient for you".

"Distort and interpret things in a way that benefits you."

The memories she made, you see...

But?

But...

A postcard came from the janitor of our villa!

"Aron"!!

That time we went there last year?

Say, do you remember?

brought games...

bought a lot of sweets,

We went on a lot of walks,

Oh, dear... I love you, Aron! As your Onee-san, that is, though...

It was so much fun, right?

that I made... is what I thought.

The same.

I wished I really was in the memories

The "me" in the memories my "sister" talked about seemed to have so much fun.

What about you?

What was the most fun for you?

I see. I'm so glad!

Let's do even more fun things this year!

She gave me memories and a promise.

That's why I thought

It's a promise!

I wished for "my family" to be the last people to become unhappy.

I want to be with this person— my family— for as long as possible.

even if I hasten the world to its downfall,

The demons promised me...

HEY, THE MUSIC IS TOO QUIET! TURN IT UP!

OHH! IT'S SUCH AN HONOR TO SEE THAT YOU'VE FINISHED YOUR PLATE.

ARE YOU ENJOYING YOURSELF, MADEMOISELLE?

But the only thing demons protect is the "contract".

They had no intention of honoring anything other than the initial contract.

Because you understood that, you...

URGH...

STAB

STAB

15

took a bet you were bound to lose?

The... odds of losing weren't that high.

Demons think "There's no way an ordinary human could win against desire".

But "my sister"

is an astoundingly kind human, after all.

THE DESSERT, "STARS ATOP THE SNOW".

16

Hey, be careful...!

Fufu.

Kind, you say... Indeed.

Are you okay?

ASSIM-ILATION WITH THE GATE SHOULD BE MORE PAINFUL THAN ANY-THING!

HOW CAN HE SMILE?

RUMBLE

RUMBLE

RUMBLE

Even if my sister forgets me in the previous time-line...

But...

Did you know?

That's why I'm fine with this.

The reason why Kurouri-san— Chihiro-san has become strong...

The memories didn't fade away...?

Hey, MOM! We need to find my brother soon!

is because she had someone to protect.

Maybe he's at the hospital now

Aron!

Bro-ther...?

Memories of a person strong enough to change you are not that easy to remove.

WHAT ARE YOU TRYING TO DO?

stand

19

I thought it would be that kind of trap...

THERE SHOULD BE NO OBJECTION TO SEALING THIS PERSON IN HELL!

TO RECEIVE THE DEVIL'S BLESSING MEANS

THAT HE RECEIVED HIS REWARD AND THE CONTRACT WAS FULFILLED.

DON'T TELL US YOU WANT TO SAVE HIM?

THAT WON'T HAPPEN!

So instead, we enjoyed it very much.

Well, a puppet's body can't really eat, so

we're sorry to say it, but we only acted as if we were eating.

BOING BOING

So I didn't eat a single bite.

STEP

gulp

We won't let our daughter eat something as suspicious as a demon's dinner.

Demons are unfair, so you got to be careful!

There's always a catch to excessive hospitality.

PFF...

Hahaha!

EKO EKO AZARAK

EKO EKO ZAMIEAK.

EKO EKO KERNONOS,

EKO EKO ALADIA.

SLASH

With this, I have freed you from eternal bondage to the gates of hell.

The rest is up to you to do as you please.

The look on the faces of hell's leaders...

Ahahaha

You... let me get away with not eating anything, right?

WELL, ALL THEY TOLD ME WAS TO "LET THEM KNOW WHEN THE PLATE WAS EMPTY", YOU SEE?

24

WELL, I AM A DEMON AFTER ALL.

What a sinister hobby.

KEHEHEH.

SEEING THOSE ASTONISHED DEMONS WILL BECOME A HABIT.

HOW-EVER,

So they won't be able to return to the family they were before?

Who knows? That's for him to decide.

I wonder what that child will do in the end?

Will he come back or will he not...?

Even though he's her brother, in this timeline, only Kurouri Chihiro remembers.

whoosh

I don't want to get involved in that anymore.

YOU SAY THAT, BUT...

I might have a soft spot for it.

Siblings... Family is a little bit, you know...

FOR SOMEONE WHO'S A WITCH.

STILL, AREN'T YOU QUITE FRIENDLY TOWARDS THEM?

it might be because of my "body".

Also,

H-Hey, Misa, your neck...

This body was never mine to begin with...

It can't be helped, can it? After all...

Yeah, it's been happening quite often lately.

☆The secret of the body of the witch Kuroi Misa is...

BLACK MAGIC

REBORN

ORIGINAL WORK KOGA SHINICHI MANGA YAMADA JTA

CHAPTER 20 DEMONHOUSE SUMMONING

☆A good luck charm and cursed ritual done with little thought. This is the beginning of a nightmare...

This one dangerous incident happened to this ordinary me.

I just have to draw this on the wall?

Well, I don't mind, but...

What even is this? A star mark...?

A long time ago, I summoned a demon by casually drawing a magic circle!

Well, should be fine!

Leave it to me!

Aaand it's done!

Hehe, aren't I great?

If I remember correctly, I believe I was asked by somebody I wanted to impress and got carried away.

Then, the face of the demon that came out from the wall

pointed somewhere...

The views aren't increasing...

He grinned like a shark and disappeared.

HMMM...

2

I had a similarly strange experience that seemed to be the start of something great,

but afterward, nothing at all happened...

I live ordinarily and work as a streamer as a hobby.

I thought illustrating would be cheaper than re-enactment content,

but one of them is more expensive than I thought.

Maybe I'm such a side character that I'm not able to call out a gorgeous demon and be set on a harem path? That is, if this was a manga...

But even though I think about this, nothing comes of it.

Although I've experimented with "calling out the demon again" countless times, after that one time, it never appeared again.

You can't churn out illustrations in 10 minutes, you know?

Even though it's just a hobby, there is the dream of making it big and earning an easy profit.

Calling viewers to make a video where I trick and scare them.

If I make it look as if something happened, there's no way for them to find out if the video is real or fake.

I've stooped really low if I'm alright with getting my name out there at the expense of the shitstorm it'd create... It's so pathetic...

If nothing comes of it, I guess I'll just make it! And so,

I created a bit of a "fake situation" with this trademark gag.

I really want some earnings, after all.

Hello.

Ah... Erm, hello.

They're some of the few viewers of my channel

interested in the occult and willing to go along with today's stunt. They're easy prey... *ahem* nice people.

It's this room, right...?

Oh, they're here, it's the actors!

slam

fade...

Also, to keep the balance I threw a random guy in there too.

To be honest, I'm sorry. I chose them by their faces. (I'll censor their faces when I archive it but you can still see that they're cuties, right?)

4

Friendly, she's so friendly!

Well, if nobody starts we won't get anywhere, right?

Ahahaha!

True.

Eh—? Ah, do you mean me?

Are you fine with me going first?

Let's start with the babe holding that big basket over there.

Well then, it may be sudden, but

could I get a little self-introduction?

My handle is Yago. Nice to meet you all.

Last is the old guy thrown in for balance. (Taking part alone)

And this is the friend who jumped in for the one who canceled, huh...

She's also incredibly gorgeous...

I'm Misa.

Handle: Misa. Is it really her handle? She's way too pretty...!

I'm Panta. Looking forward to working with you today.

bow

Handle: Panta-san. The boyfriend who should have come with her canceled last minute so she's here alone.

If I remember correctly, you actually summoned one in the past, right?

As you know, today we're going to try to summon a demon, but...

Erm, thank you for gathering here today.

No, no, this is not a scheme to find a girlfriend, after all.

Once again, I'M the streamer Devil Rock.

That's what I was about to say, old geezer.

I'll replace it with subtitles in editing.

Yep, yep.

So cute!

Small-animal-like girls like her

really make you want to protect them from the blade that's gonna fall on them.

Actually...

I'm really bad with ghosts and stuff like that, so...

I'm really nervous because I'm participating by myself.

Sorry 'bout that.

It's preparation for a trick to scare you, after all...

SMILE

So we can't see those "preparations"?

Now, please stand outside for a moment.

There are some preparations to summon the demon, so...

But I didn't eat anything since I was busy preparing since this morning...

growl

I thought this before already, but that really is one big basket...

RUSTLE

RUSTLE

Please wait just a moment.

Ah.

I forgot to eat, you see?

Did your stomach... just growl?

Handmade sandwiches! Jackpot!!!

Erm, if you'd like, have this-

Please help yourself.

You see, I work at a bakery.

Ah, so that's why you're Panta-san.

As expected of a profes-sional! They're beautiful and delicious...

...

So good! I've never had such a delicious sandwich before!

Downing them quickly is such a shame...

Fufu. Hearing that makes me happy

I'M sure he wanted to eat his girlfriend's love-filled sandwi-ches.

It's a shame he couldn't come, right?

Ah, of course it would be like that. This girl has a boyfriend. after all.

To be honest, I made them for my boyfriend, but...

droop

I wonder about that...

down

Oh?

SMILE

Ah, I'm sorry about that. You're just so easy to talk to, Mr. Streamer.

Oh?

He never told me that anything I made was delicions,

and lately, even if I reach out to him, he doesn't answer...

Even today, we promised to come here together long ago, but he flaked out...

You're so nice...

Do you mean it?

If I was him, I wouldn't have done that.

You came here with this big basket filled with lunches, didn't you?

Huh?

What a terrible boyfriend!

Even though you're such a nice girlfriend.

I feel the same. If my boyfriend was a person like Mr. Streamer,

I feel like it would go better next time...

Could this be???

Ah, erm...

Let's continue this later...

Sorry, I have to prepare a little, so...

No, I can't, I can't. The preparations!

Here it is, here it is!!!

Can I hold you to that?

It's a promise, okay?

PAN

Everyone, please come inside.

We'll begin the final checks.

This is an exact drawing of the magic circle from back then, as far as I remember.

The place from back then... has already been demolished,

but I rented a place as close to it as possible,

and recreated the same conditions from that time.

I think we can expect success today, don't you think?

12

If I draw this line, the magic circle will be complete...

SQUEAK

Huh?

So cold...

Now we just need to wait for omens of the demon's appear-ance...

Well, I'm sure nothing will happen this time either, though.

Isn't there too much smoke?

Did I use this much dry ice?

It's here.

WOOOM

I haven't even turned on the speakers!

W-What's this sound?

silence...

SMACK

Kya!

WHAP

BU
T-T
WAAH

It worked...?

Even though it never even worked once before?

I've succeed-ed?!!!

T-The face of the demon from back then...!

STATE YOUR WISH.

NOW,

15

Eh? M-my wish?

I just wanted to record a video like that...

I-I don't... have anything impressive... to wish for...

THE WITCH KUROI MISA.

ARE YOU INTERFERING WITH THE CONTRACT?

Just leave it at that and go back this time.

Hear me, Demon Manmon!

It seems he has no wish.

16

HMPH... VERY WELL.

I WILL TAKE THE SACRIFICE'S SOUL WITH ME!

HOW-EVER...

ドドド

To summon a demon,
some rituals require sacrifices in addition to the magic circle.
W-WHAT THE HELL WAS THAT?

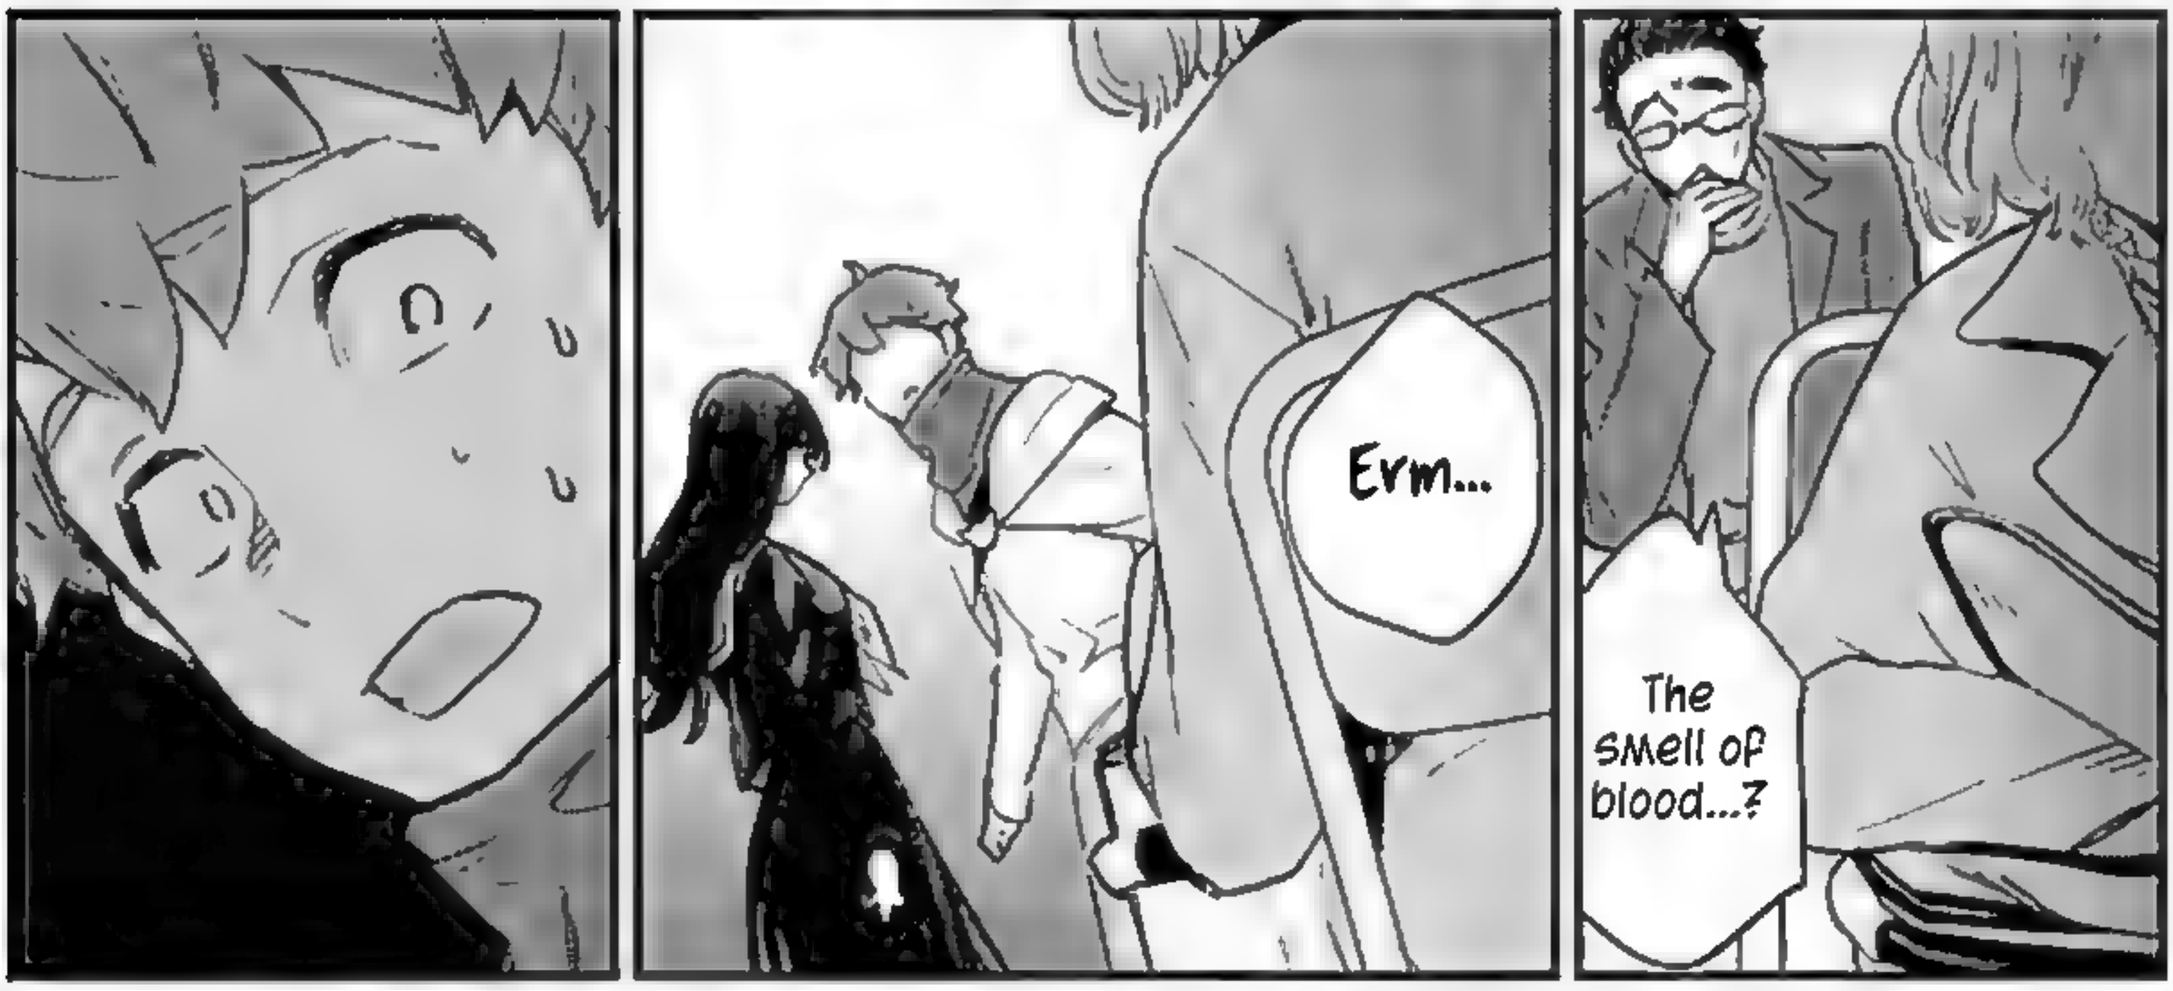
18

A SACRIFICE OF HUMAN SOULS.

So, taking a life...
Does that mean... killing?

One of them "has prepared a sacrifice".

I-In, other words...
Murdered...



Erm...
The smell of blood...?

20

COULD THE SACRIFICE BE...
"THIS" THING, PERHAPS?
PAN

SO I JUST CUT THEM OFF IN A HURRY...

THEY SAY IT'S HARD TO FIND OUT ONE'S IDENTITY WITHOUT A HEAD OR FINGERS,

EVEN THOUGH HE SAID WE'D BE TOGETHER FOREVER...

HE SAID "LET'S BREAK UP", SO I JUST STABBED HIM.

SO I JUST CAME ANYWAY.

I THOUGHT IT WOULD BE SUSPICIOUS IF I CANCELED TOO,

CLICK

YOU'RE JUST GONNA THROW ME AWAY TOO, RIGHT?

WHAT'S WITH THOSE EYES? I SEE.

WILL NEVER FORGIVE LIARS...

SHAKE

SHAKE

SHAKE

THIS CAN'T BE HAPPENING!!!

!!!

STAB

Ahh, you shouldn't move yet.

So for the time being, I'd given you first-aid...

You lost consciousness after you were stabbed

Are you awake yet?

So the old geezer was a doctor...

That girl? Afterward, the police came and arrested her.

He's right about that...

I think I ended up seeing something far scarier than the demon...

I took part because I was interested in the occult and demons, but...

I can't even bring myself to make a video about this.

How's that ordinary?

I'm in the hospital after being stabbed by a girl.

Take care.

sigh

24

Hm? Wait a second.

Speaking of which, that girl was there too, right?

It might be an ordinary world for me, but there are demons and witches in this world too.

There are also murderers...

"To summon this demon, a human's soul is necessary."

BA-DUMP

Then...

Eh?

25

BA-DUMP

Just like now...

At that time, too...

SSS

BA-DUMP

That means that when I summoned the demon before...

She killed someone before Meeting with Me...?
there was a Murderer with Me.

If I remember correctly, what she wished for was...
Who was I with back then?

But Misa.

He'll probably suffer from worry from now on.

He won't be able to trust anybody anymore...

Thanks to you, THAT STREAMER WAS SAVED.

WOOOOOR

IF HE HAD SAID WHAT HE WISHED FOR, HE WOULDN'T ONLY HAVE BEEN STABBED,

BUT HE WOULD HAVE GONE TO HELL AFTER DYING!

IS THIS ANOTHER WAY OF ATONING FOR PAST SINS?

...

Eri loves strawberry shortcake more than any cake in the whole world!

So good!!! One more!

Oh, two slices?

Then let's eat it together.

You're using my body right now, after all.

4

This is convenient in its own way.

I mean it, I mean it!

and after all, it was me who just went and used black magic!

The contract was that I'd lend you my body until you've taken back your own,

Erm, erm!

Eri,

is there anything else you want to do while you're still awake?

Yawn

No good... I might already... fall asleep...

But maybe it's because I'm just a head? I'm so sleepy every day...

Drooo

Oh right! Misha!

I haven't seen Misha yet!

Huh? Where's Misha?

How troubling. Right now, she's...

Misha's at work.

Some cats are born that way or stay small due to how they devel-op...

We don't let cats under 6 months old out into the store.

Maybe it's a kitten?

This one here is so small!

Oh, really?

You servants there!

Spoil me, spoil me!

Pay tribute! Tribute!

Fufu, you human! Pet me, pet me!

にゃあ。 meeeoooww

We are your masters.

I am the familiar Misha, the devil's cat.

A being who's after your souls.

We were originally free,

The servants are also quite knowledgeable on what to do.

Truly a blessing.

And over the last 20 years, the perfect places to take advantage of humans, cat cafes, have sprung up everywhere...

FLIP

The number of these places increasing is splendid, splendid.

but, to effectively endure the cold of winter and the heat of summer,

we had to use the humans.

Are you still speaking in tangles of cliche?

WHAT'S WITH THIS FUCKING CAT...?

WELL, IN THE END, YOU MIGHT DIE, BUT THAT CAN'T BE HELPED.
DON'T WORRY, I WON'T GO AS FAR AS KILLING YOU.
SLAM
OUCH!

In the end, there are humans like you in every and all ages.

Unable to listen quietly...

There's not even an ounce of intelligence in your vocabulary.

IMPOSSIBLE...!

T-THE CAT SPOKE?

Ah...

Is your world so small you can't even imagine?

Are you an idiot? A fool? Don't you have a vocabulary?

Haa...

This again?

That's what most humans say when something non-human speaks their language.

I see that you are ignorant.

Did you know that it's hard to confirm "nothing"?

12

TL: DO YOU KNOW THE "PROOF OF DEMONS"?

SCISNE... "PROBATIO DIABOLICA"?

???

Misa!

I was looking for you.

So this is where you were, Misha.

Even if you say it in Latin, it's no good.

FLAP

Y-You?

Who are you?

When did you...?

snicker

His vocabulary is indeed sparse.

Right?

THE "PROOF OF DEMONS".

IF YOU CLAIM "THERE ARE NO DEMONS IN THIS WORLD", YOU WOULD HAVE TO PROVE THAT.

It originally began in ancient Roman law to demonstrate proof of ownership over a plot of land, but today it is commonly used like this.

For example, if you have an object right in front of you, you can prove that it "exists".

However, just because you don't have it in front of you doesn't mean that it "doesn't exist" somewhere else.

IF YOU CAN'T PROVE THAT SOMETHING "DOESN'T EXIST", DOESN'T THAT MEAN THAT IT DOES IN FACT "EXIST"?

To prove that it "doesn't exist", you would have to investigate the whole world...

That is close to impossible.

GROW

So Misha came to a witch as an apprentice and became a familiar.

Misha's mother was a talking cat, found in the hinterlands of Thailand.

But because of that power, she was killed by humans.

"WHAT ARE YOU DOING?" YOU SAY.

You know already, don't you?

HUMANS CAN DIE, BUT CATS WON'T.

BECAUSE IT'S HUMANS WHO BELIEVE IN HELL; AND SO, IT'S HUMANS WHO WILL GO TO HELL.

ONLY HUMANS SHALL SUFFER.

SEE END CARD.

Truly, "fortunes being snatched away". *

heh

But this really is quite the pickle.

There was inarizushi wrapped in that, but...

4

In the group home— you can see the building on the hill there,

My mother is admitted there.

Inari-zushi is my mother's favorite food.

Her dementia has been progressing, and lately, she doesn't even recognize her family,

So she just spaces out...

I don't have time to go back and buy another one either... What a pickle...

I thought that if I brought her something she liked, she'd brighten up.

Then instead of that, I can give you a souvenir...

5

How about a "perfume"?

Perfume—"Smell"—is something that is sensed through the most primitive of the five human senses,

the "sense of smell", which is based on instinct.

Consequently, it's also said that related memories are the least likely to fade away.

That's exactly why the history of fragrance is so old.

Since ancient times, humans have burned aromatic woods to worship the gods or rubbed oil on them to praise the gods.

I wonder if incense, the fragrance of burning came first?

It is said that the origin of the word "perfume" comes from the Latin word "perfumum", which means "to allow smoke to pass through".

Huh...

You're really knowledgeable about perfumes.

Herbs collected during the summer solstice are especially strong.

Fragrances are essential for spell-water or condition-inducing oils...

Of course, they are indispensable for fortune telling, witches, and magic.

snicker

Apparently, in the 16th century, the Parliament of England even warned that "it is forbidden to lure men into marriage traps by using perfume".

The ones who used perfumes like this were "witches", they said.

An incredible effect of "scent".

Cleopatra made Ceasar and Antonius fall in love with her by rubbing specially scented oil on her body.

I...

I think I'll pass on the aphro-disiac...

So how about a witch's aphrodisiac together with that?

spray

Your wrist, please.

Would you like to try it?

I wonder if this would please your mother.

I've never put on perfume before, so...

First, you smell the top-note, then the middle note spreads, and slowly, the last note reveals itself.

It changes as time passes.

That's the kind of thing "smell" is.

Take your time choosing.

SNIFF

Did somebody just say some-thing?

sniff

Your father's... perfume?

It's just like my father's smell...

This smell...

Ah...

I don't look much like my father, but... he was a slender and stylish man, you see?

He was a dandy... but he was madly in love with my mother.

He took great care of his appearance.

I loved seeing the two of them being happy together.

But while I was still a child, in an accident, he...

Yeah... This is wonderful.

Thank you so much.

A souvenir for my mother.

I'll take this.

I wish you good memories and scents.

Group Home Salome East Coast

...

Erm...?

We have nice weather today, right? How are you feeling?

it's me, Takuya.

Mother,

It's fine... You don't have to remember me.

I just came to talk to you like always.

That girl called herself a "witch", and...

Then, a girl with a cat recommended me this, you see?

When I was walking on the beach, my gift for you was taken by a black kite.

That's right! Today, something a little strange happened.

I want my mother to spend the rest of her life with memories of happy times.

I don't care if she doesn't remember me.

?

12

Isn't it similar to the perfume dad used?

SPRAY

Look here.

On top of that, "this" is a "witch's" perfume.

So much so that what you see might change.

Scents bring back memories.

Yuya-san, my dear...

FUFU.

Oh, you...

Wonderful as always.

Time passes.

Just now... my appearance...?

Along with the scent, so too does the magic fade.

Mother...

drip

Asase-san, Asase Masayo-san.

It's time for lunch.

I was able to see you smile again after so long, Mother.

I was so happy!

In the twilight of life, once more...

Happy memories...

sniff

Ah... so her lunch was inarizushi, I see.

This smell of sweet soy sauce mixed with sushi rice...

Today's menu is inari-zushi.

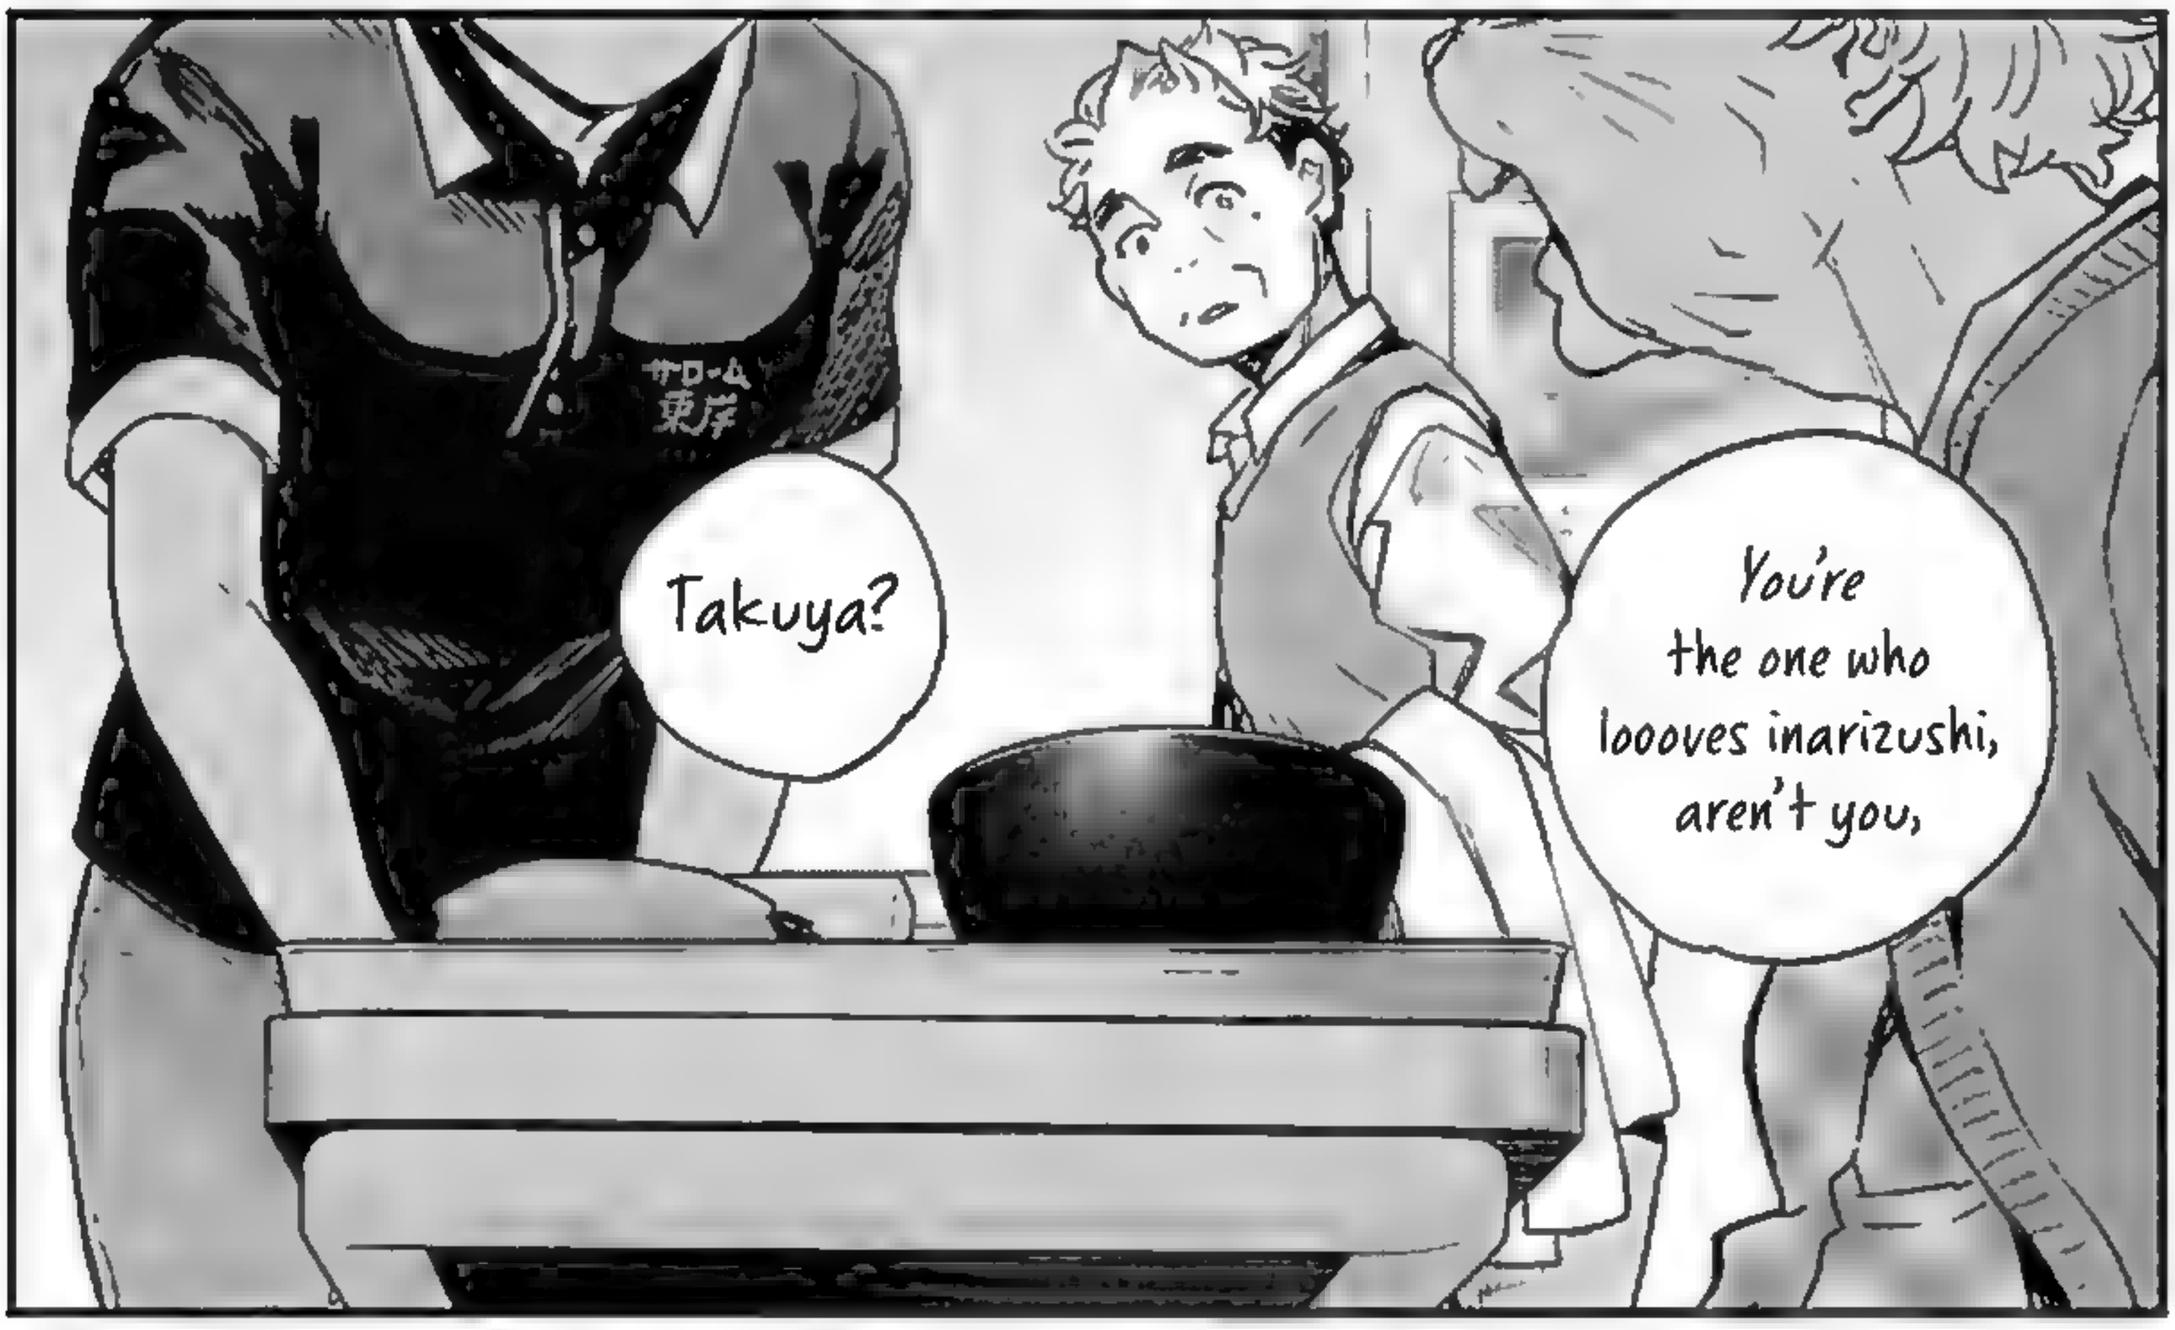
Let's eat in your room today, okay?

Then I should get going...

Oh, I wonder if that's why Masayo-san eats it so well...

CLONK

It's my Mother's favorite, so we often made it together.



Takuya?
You're the one who loooves inarizushi, aren't you,

16

Scents bring back memories.

You're eating it with your fingers, Takuya. Your stomach is going to be full.

Really? Ufufu...

You really like inarizushi, don't you, Mom?

Let's eat it together.

so I always made it for you.

I loved seeing you eating it so happily,

It's your favorite, isn't it?

was the happiest time of my life.

The familiar Misha's stomach is more robust than the gates of hell, nya.
Also, isn't it greasy?
Cats can't eat too much salt, right?

So the rumors I've seen so much on the internet lately really were true!

GRAB

Bad things will happen when rumors of the witch spread...

Staying any longer is futile.

Misa...

but, after seeing a spectacle that could only be magic at the nursing home,

I wasn't fully convinced,

I didn't think it was "impossible" anymore.

I heard earlier that there was a witch carrying a strange tool around the beach.

Very well...

Sigh

Let go of me.

So the talking cat and magic don't scare you, I see.

Well, there's nothing to be gained from denying it.

Earlier, was that a shape-shifting drug?

I'm sure you have a lot more practical stuff on you.

I SHALL GIVE YOU ONE, TOO.

GO AHEAD AND MAKE YOUR CHOICE.

FSHHHH

This is a "perfume".

Are you sure you won't choose a scent?

Then I'll take that shape-shifting drug from earlier.

SPRAY

SPRAY

That's quite the odd smell for a perfume...

Once the smell fades, I'll return to normal, right?

I'LL MAKE SO MUCH MONEY! I'LL QUIT THAT SHITTY JOB AND...

I'LL FIND A WAY TO EARN MUCH MORE WITH THIS...

Ah...

Huh?!

You should listen carefully to a witch's explanation to the end.

This is nothing like a shape-shifting drug—

IT'S A MAGIC POTION THAT SHAPES ONE "ACCORDING TO THE SMELL"...

WHAT YOU CHOSE WAS A PERFUME WITH A "RAT'S" SCENT.

HIEEE!

AAAAAH

W-WHAT DID SHE JUST SAY...?

WHAT THE HELL IS THIS...?!

Misha is a gourmet, so I won't eat something like you.

turn

P-Please don't eat me!

Also, Eri isn't around here.

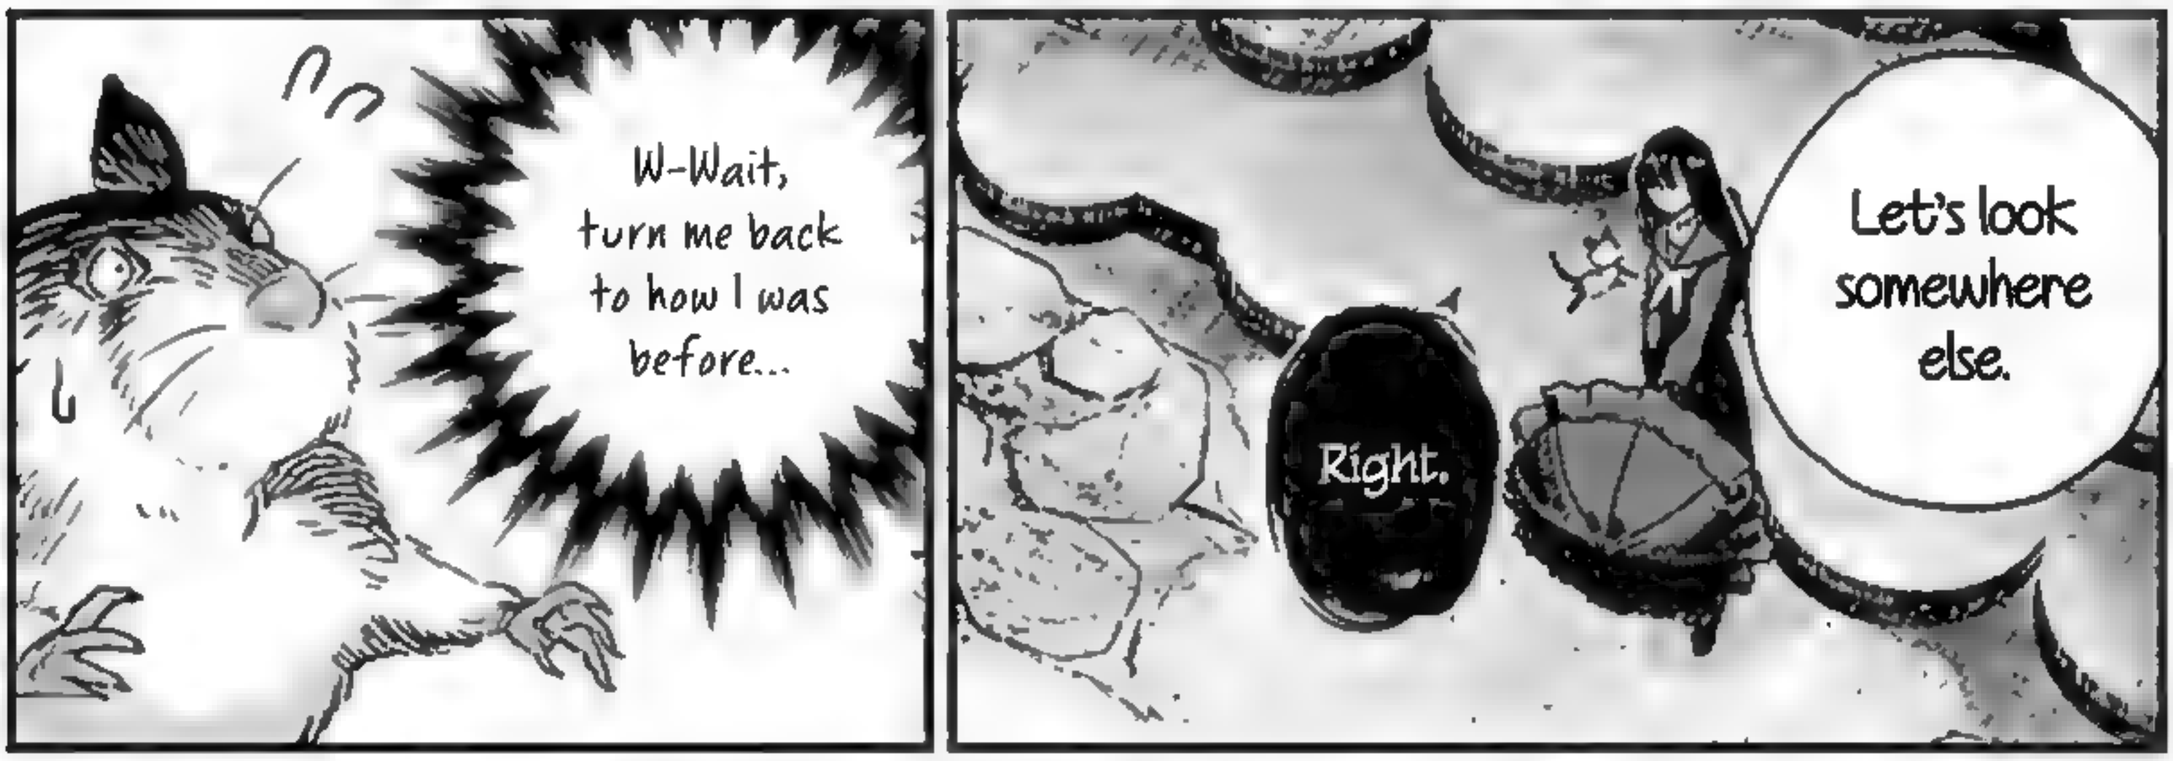
Staying too long is a bother.

Anyway, it's just like I said, isn't it, Misa?

25

You're right...

If she were close, I should feel her, but...

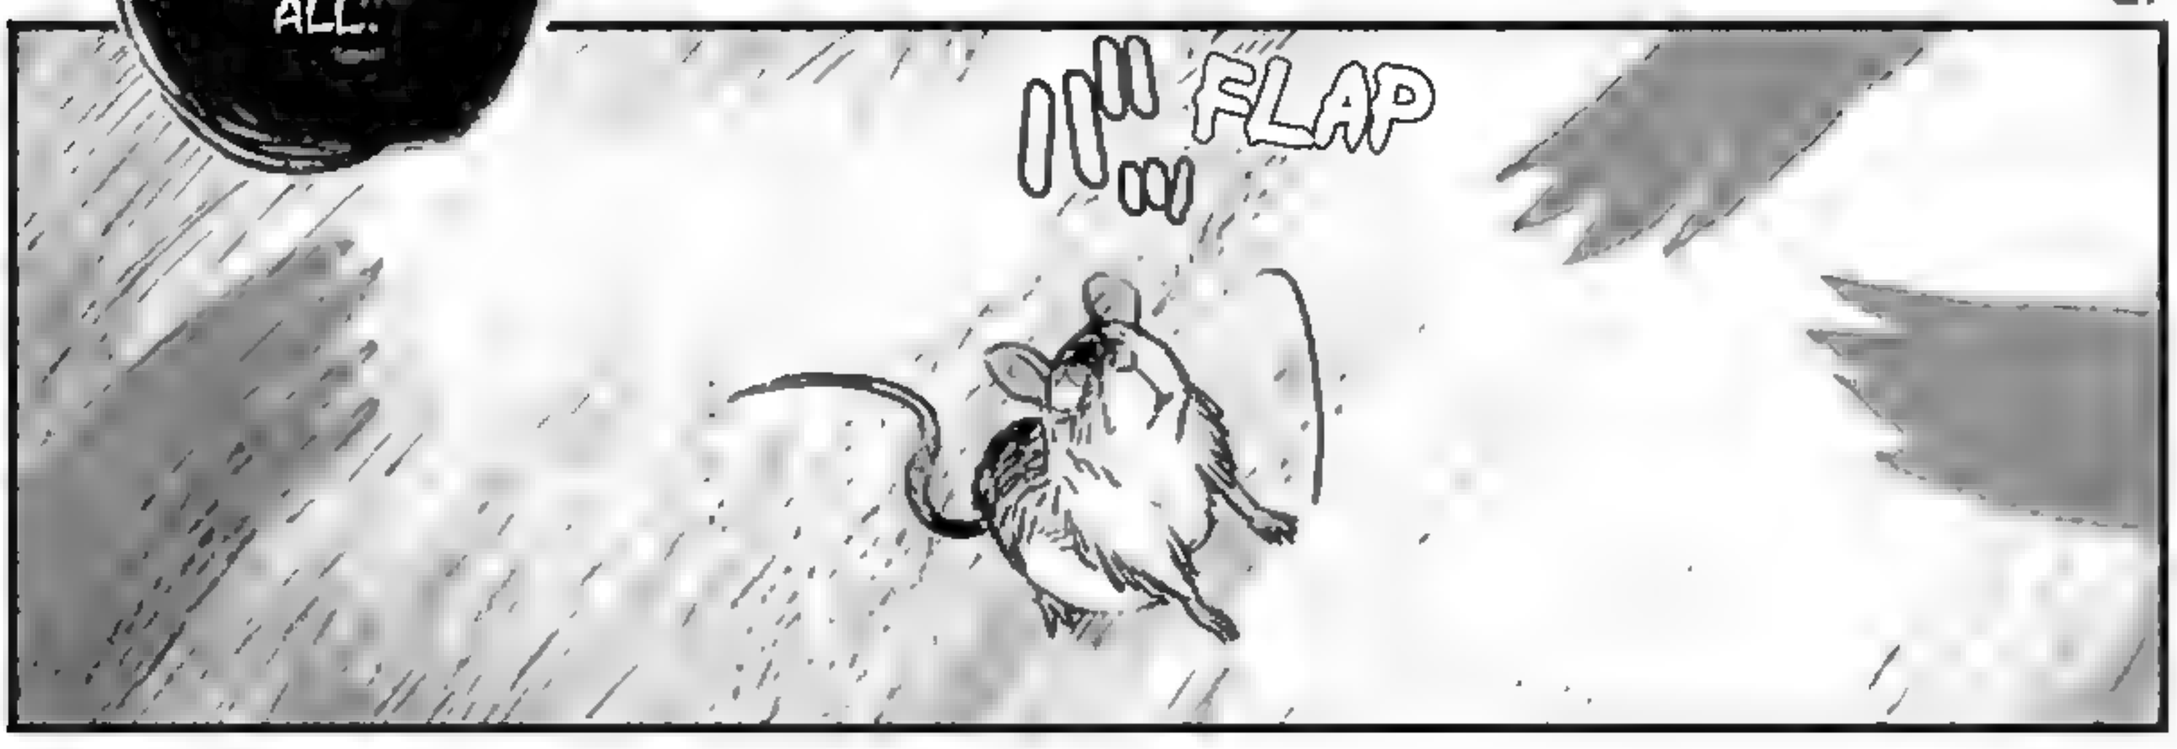


W-Wait, turn me back to how I was before...
Right.
Let's look somewhere else.

26

You'll be fine.
You'll return to normal once the "scent" wears off.

BUT IT ONLY TAKES A LITTLE BIT OF PERFUME TO LAST FOR QUITE A WHILE.
JUST NOW, YOU SPRAYED QUITE A LOT OF IT OVER YOU, THOUGH...
SAY, WILL THOSE GUYS BE ABLE TO WAIT UNTIL THEN, DO YOU THINK?
I WONDER ABOUT THAT. UNLIKE ME, THOSE GUYS ARE NOT GOURMETS, AFTER ALL.



FLAP

EKO EKO

BLACK KITES ARE FEROCIOUS, AFTER ALL.

EKO EKO AZARAK

EKO EKO ZAMILAK

★Black magic is a mirror that reflects and exposes the truth—an ugly appearance for ugly greed...

On page 4 there was a Japanese term that would not make sense literally: "Truly, `fortunes being snatched away´," so here's an explanation behind it from the TL of Eko Eko Azaraku.

This is a Japanese figure of speech.There's two aspects to this contextually. Literally she says "fried tofu for black kites." Fried Tofu is the favorite of the goddess O-Inari which is why you would see it everywhere at her shrines (and given to foxes as they are her messengers) and in this case they mean a sort of food that is basically sushi rice wrapped in fried tofu. The other part are the black kites, which were warned about before. In this figure of speech 鳶に油揚げをさらわれる both these things appear which makes a lot of sense contextually. It pretty much means what I wrote above.

Misa, this cage...

isn't that the one "he" was locked up in?

"His" head and body were put in separate cages,

and should be chained to the depths of hell.

THE MORNING STAR OF DAWN, LUCIFER.

So that's what you meant, Eri...
Misa...
Is this some sort of omen...?

HE HAS...
COME BACK.

Not yet?
Not yet?

Yay.

Yay!

"Tanzania10"-sama, thank you for waiting.

Dear "Pudding"-sama, waiting for your Mobile order!

One to-go, tall cafe Misto, right?

Please wait and be careful.

"Lucifer124"-sama, waiting for a Mobile order!

Eh? Isn't that nickname a bit much?

Here it comes!

Who is that?

Here, here!

So cute...!

Hey—

Yeees!
"Lucifer 124"-sama, a venti cream frappuccino with 2 extra shots, extra roasties, extra berry sauce, extra chocolate sauce, extra chocolate chips, and dark mocha chips, right?

Fufun, so gullible. Corruption complete.
Too much for a first-time killer, don't you think?
It's incredible. That might be even more complex than Solomon's chant.
Sorry to keep you waiting...

Thank you, Sawatari-chan.

You saved me by teaching me how to custom order at Starhucks.

WHY?

What... Oh? You're in a bad mood, huh?

Hm?

WHY ARE YOU LEAVING KUROI MISA ALONE?

I'M HELPING YOU BECAUSE YOU SAID YOU WOULD MAKE HER SUFFER THE SAME PAIN.

THAT WITCH WHO THREW ME INTO HELL...

ARE YOU LISTENING TO ME?

How is the surface after so long?

Oh, you're back, Bune.

I mean, after all,
right now, I'm in the body of a "girl".
Oh, no. Call me Lucy.
I'll try to SMILE

I got out of that cage after so long...

I feel great in this body.

I just want to enjoy myself a little longer.

Like going to Starhucks or Tidiney Land.

OR MAYBE CHANGE THE LAWS OF THE WORLD A LITTLE, BRING BACK THE THREE DAYS OF DARKNESS,

OR MAYBE EVEN BRING US TO THE END OF TIME ONCE AGAIN?

✯What kind of being is "Misa" to have drawn even the king of hell close to her...?
